Marketing Expertise

Please indicate in the table below the number of years you have seen the following Marketing Domains demonstrated by the applicant and give specific details as to tasks, successes and responsibility of how the Domain has been demonstrated. Only fill out sections relevant to the domains applicant has experience in.

Marketing Domain	Number of Years Observed	Ways Experience Has Been Demonstrated
Strategy & Planning (eg – lead on point for building a marketing strategy, participate in building budgets, lead quarterly go-to-market planning, customer segmentation etc)		
Product Management (eg – key owner of the end-to-end product experience, P&L, growth strategy, etc)		
Advertising & Promotions, Marketing Communications (eg – lead end-to-end creation of ad campaigns for external and/or internal media, media & advertising planning, etc)		
Customer Journey & CX/UX (eg – being the lead/owner for ensuring the quality of the customer's experience with the product, service or digital interface; designing and launching programs that improve customer experience, etc)		
Martech (eg – experience using marketing technology, leading teams who manage those technologies and have a solid understanding of how they work, etc)		

Data Insights/Analytics		
Teaching Marketing (post-secondary institution or professional development program)		

Please include any additional information you feel is relevant to the applicant's marketing expertise that is not already reflected above.
